The data doesn't lie: for every 100 CFA Program exam test-takers, only 20 will manage to pass all the through level III. This statistic may not be encouraging, but don't let it bring you down: all it says is that those who work the hardest and prepare the most are the ones who will pass in the end.

By Sophie How does one obtain the CFA charter as quickly and as painlessly as possible? The fastest route is to pass all 3 exams in less than 2 years, i.e. 18 months if you count the dates from a December Level 1 to June Level 3 exam with consecutive passes. This was a feat I miraculously (to me, anyway) managed whilst working full time in corporate finance.

Moving from back office to front office? Every year, a lot of young professionals decide to start their careers in investment banks' back offices. People work in back offices for various reasons: easier hours/lifestyle, because they did not make it into a front-office job and hoped it was the best step towards the front office, or because they simply didn't know the difference between back and ...
