The trickster is an alchemist, a magician, creating realities in the duality of time and illusion. In mythology, and in the study of folklore and religion, a trickster is a god, goddess, spirit, man, woman, or anthropomorphic animal who plays tricks or otherwise disobeys normal rules and conventional behavior.

Artwork by Mel Hunter (1959) As you probably already know, "strategy" refers to the science of successfully fighting an entire campaign or war, while "tactics" refers to the science of successfully fighting a single battle. Predictably some military strategy and tactics are general enough to apply to interplanetary combat, while others do not work at all in the space environment.

Being a guy who writes science fiction, people expect me to be well-informed about the current state of the field—“as if I’m a book reviewer who reads everything published in my own approximate area. (This is a little like expecting a bus driver to have an informed opinion on every other form of ...
