The Consumer Price Index (CPI) is a measure of the average change over time in the prices paid by urban consumers for a market basket of consumer goods and services. Indexes are available for the U.S. and various geographic areas. Average price data for select utility, automotive fuel, and food items are also available.

In its 108-year history, the Minnesota Twins baseball franchise of Major League Baseball's American League has employed 31 managers. The duties of the manager include team strategy and leadership on and off the field. Eight of these team managers have been "player-managers", all during the Washington Senators era; specifically, they managed the team while still playing for it.
