

### **the national security strategy pdf**

The National Security Strategy (NSS) is a document prepared periodically by the executive branch of the government of the United States for Congress which outlines the major national security concerns of the United States and how the administration plans to deal with them. The legal foundation for the document is spelled out in the Goldwater-Nichols Act.

### **The National Security Strategy - U.S. Department of State**

National security refers to the security of a nation state, including its citizens, economy, and institutions, and is regarded as a duty of government.. Originally conceived as protection against military attack, national security is now widely understood to include non-military dimensions, including economic security, energy security, environmental security, food security, cyber security etc.
