

### **the new middle eastern pdf**

The Realities of the New Middle East The first step toward the formulation of a new policy is to understand the realities of the new Middle East as it is now. The three clusters of countries— Iran— Iraq, Lebanon— Syria, Palestine— Israel— and three critical, cross-cutting issues— nuclear proliferation, sectarian-

The New Middle East is one of the first comprehensive books to critically examine the Arab popular uprisings of 2011—12. While these uprisings prompted a number of cursory publications, this volume contains meticulous and thoughtful reflections on the causes, drivers and effects of these seminal events on the internal, regional and international politics of the Middle East and North Africa.
