

the odd woman and pdf

The Odd Women is a novel of social realism that reflects the major sexual and cultural issues of the late nineteenth century. Unlike the "New Woman" novels of the era which challenged the idea that the unmarried woman was superfluous, Gissing satirizes that image and portrays women as odd and marginal in relation to an ideal.

Description : This genealogy of the 'odd woman' compares representations of spinsters, lesbians and widows in British women's fiction and auto/biography from the 1850s to the 1930s. Women outside heterosexual marriage in this period were seen as abnormal, superfluous, incomplete and threatening, yet were also hailed as 'women of the future'.
