Flags of provinces of the Philippines - Wikipedia

The administrative divisions of the Ottoman Empire were administrative divisions of the state organisation of the Ottoman Empire. Outside this system were various types of vassal and tributary states.. The Ottoman Empire was first subdivided into provinces, in the sense of fixed territorial units with governors appointed by the sultan, in the late 14th century.

Administrative divisions of the Ottoman Empire - Wikipedia

Download PDF As an idea, the Islamic State has gone global, attracting far more foreign terrorist fighters than all previous jihadist conflicts combined. But as a so-called state or "caliphate," how successful has it really been at expanding its global footprint through the establishment of "provinces" around the world?
