Open Diary (often abbreviated as "OD") is an online diary community, an early example of social networking software. It was founded on October 20, 1998. Open Diary went offline on February 7, 2014, but was re-launched on January 26, 2018. The site was owned and operated by Bruce Ableson and Susan Ableson, known on the Open Diary website by the title of their diaries, The DiaryMaster and The ...

Open Diary - Wikipedia

The early 1990s marked the advent of online diary planners. On the face of it, it seems that people who must attend countless meetings are the ones who need online diary planners the most. However, actual trends show that those who are in the habit of recording and chronicling their activities all the time are the real takers and users of online diary planners.

Online diary planner - Wikipedia

The Household Diary Study (HDS) is a multi-year research study funded by the United States Postal Service. The study surveys a representative sample of over 5,200 households each year (on a government fiscal year basis) to provide a comprehensive and continuous description of the mail originating and destinating in American households.
