Acknowledgement The ideas in this training session originate from the work of the Brief Therapy Practice, which brought solution-focused thinking to this country from its origins in the USA.

Focusing on solutions: a positive approach to improving

I have had many requests for my lesson plan template. It can be a scheduling NIGHTMARE to figure out how to incorporate a class full of different IEP goals for learners who can sometimes be at almost opposite ends of the spectrum.

Underlying theory. The effectiveness of peer support is believed to derive from a variety of psychosocial processes described best by Mark Salzer in 2002: social support, experiential knowledge, social learning theory, social comparison theory and the helper-therapy principle.. Social support is the existence of positive psychosocial interactions with others with whom there is mutual trust and ...
