Exposing the climate geoengineering cover-up. With all the above information considered (along with other geoengineering studies and solar radiation management reports drafted by Douglas MacMartin), the dialog shown below becomes very relevant. It is a full transcript of my very recent communications with Douglas MacMartin in which he compares "believing" that geoengineering is already ...

To be offended is usually a rather unpleasant experience, one that can expose a person to intolerance, cultural misunderstandings, and even evoke the scars of the past. This is such an unpleasant experience that many people develop a thick skin and try to only be offended in the most egregious and awful situations. In many circumstances,â€
