Further, because the API Licensing standards include restrictions that are not OEM/SAE sanctioned, which are written to restrict technologies to dramatically extend oil drain intervals and reach very low wear-rates, high-performance formulations are prohibited from licensing.. So API certification, which simply licenses the display of the API starburst, is NOT a mark of rigorous quality.

Although not generally this time I must agree with the article, because that is how unknowingly I became good at physics. I had at the beginning, back in high school, a rather mediocre skill, but a belief I am good at it, as I kind of went well back in my home country, and also because it was a kind of "manly" subject.

William Lane Craig is a prolific Christian philosopher, apologist, author, and public debater. He is the best debater – on any topic – that I've ever heard. As far as I can tell, he has won nearly all his debates with atheists. When debating him, atheists have consistently failed to put forward solid arguments, and consistently failed to point out the flaws in Craig's arguments.
