Different tribes of Native Americans lived in the area that is now California for an estimated 13,000 to 15,000 years. Over 100 tribes and bands inhabited the area. Various estimates of the Native American population in California during the pre-European period range from 100,000 to 300,000. California's population held about one-third of all Native Americans in what is now the United States.

Recently on TheHomeSchoolMom's Facebook page someone asked for recommendations for her soon to be 4 year old. It took me back to when I had a 4 year old and a 1 year old and had recently decided to homeschool. I. Was. So. Excited. What curriculum should I use? How should we schedule our days? (I bought Managers of Their Homes and carefully scheduled every moment of our days and then proceeded ...
