Why I created "There's a person inside every dog." My wife Elaine and I have learned that there's a person inside every dog. These personalities are all different and often very funny.

### **There's A Person Inside Every Dog. - Kindle edition by**

Observers agree substantially about what a person is like, and their knowledge of a targetâ€™s observable personality is quite good. By comparing perceptions of the person from the inside and outside with objective behavioral criteria, we can come to understand the strengths and limitations of each perspective.
